

North Ingle School and the canteen committee have worked closely together to ensure we are continuing to provide an accessible service for our families. To improve the accessibility of our canteen, we have partnered with a digital app, Flexischools, to allow families to place orders digitally in the canteen.

North Ingle School will be using **Flexischools** for parents to place lunch orders at our school from Thursday 6th of March (Week 6). Australia's #1 school ordering solution, Flexischools, operates in more than 1700 schools across Australia, enabling parents and students to order and pay for school lunches, uniform shop items, and school community events online or via the Flexischools app.

Flexischools App

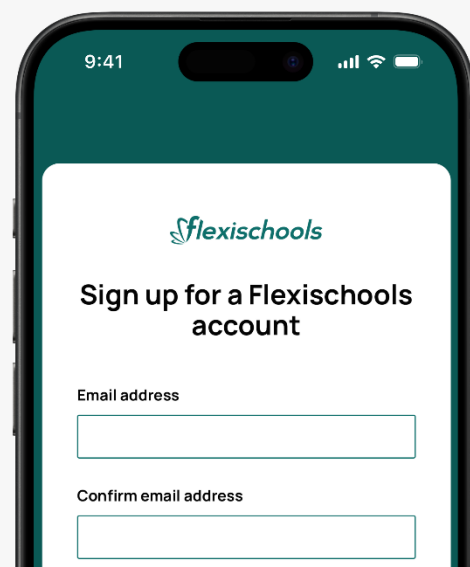

Parents simply download the Flexischools app from the [Apple](#) or [Google](#) store and follow the prompts to create an account. You can download the App and find registration and online ordering instructions [here](#).

Parents can set daily spend limits and keep an eye on what they're buying via your Flexischools app. Additionally, you can also add access for your child to use the App, enabling them to place online orders themselves - great for growing independence. If you already have a Flexischools account for another family member then just select the Profile icon on the app and +Add New Student.

If you have any further questions, please reach out to our school. We look forward to this being a supportive change for our school community.

Kind regards,

Matt Cailes
Deputy Principal
