

NORTH INGLE SCHOOL & PRESCHOOL

Dear parents/caregivers,

As many of you are aware we currently have an uptake in positive COVID-19 cases at the school.

It can be confusing to know how to respond so this update will address the Department for Education's current Testing and Isolating requirements for preschool, school and OSHC.

- **IF A CHILD OR STAFF MEMBER TESTS POSITIVE FOR COVID-19 THEY MUST NOTIFY THE PRESCHOOL/SCHOOL/OSHC.**
- **PLEASE DO NOT ATTEND FOR 5 DAYS IF COVID-19 POSITIVE** (starting from the day after the positive test).
- **DO NOT ATTEND WHILE SYMPTOMATIC** (if still symptomatic after 5 days).

Attached to this email are Testing and Isolating requirements for preschool, schools and OSHC for further information. Both can also be found here:

<https://www.education.sa.gov.au/parents-and-families/covid-19-coronavirus/covid-safe-measures-and-requirements>

It is important that our school community complies with these requirements many people are still vulnerable in our community and we must look after each other. Following these requirements will minimise the spread. Please contact the school on 82642777 to report positive cases or if you have any further questions.

Thank you

Matt Kerslake- Principal
